SEALED TENDERS, marked "Tender for Bridge Project 681—Wardner Bridge and C.P.R. This contract consists of the construction of two complete bridges. The first bridge is over the Kootenay River and is 740 feet long. It consists of two reinforced-concrete abutments founded on spread footings and four piers founded on steel H-piles; a reinforced-concrete deck spans between piers and is carried by simply supported prestressed-concrete girders. The second bridge spans over the C.P.R. and is 145 feet 6 inches long. It consists of two reinforced-concrete abutments and one pier, all founded on spread footings; a reinforced-concrete deck is carried by simply supported prestressed-concrete girders.

Plans, specifications, and conditions of tender may be obtained from the Provincial Government Plan Viewing Room, 501 West 12th Avenue, Vancouver 9, British Columbia (telephone 879-7531), or from the undersigned for the sum of ten dollars (\$10) (cheque or money-order made payable to the Minister of Finance), which is not refundable.

If the bidder does not already have a copy of these specifications, one may be obtained from the Provincial Government Plan Viewing Room, Vancouver 9, British Columbia, or from the undersigned for the sum of ten dollars (\$10) (cheque or money order made payable to the Minister of Finance), which is not refundable. All copies purchased are registered and amendments are forwarded when issued.

Each tender must be accompanied by a bid bond in an amount equal to five per cent (5%) of the tender price. This bond shall be forfeited if the tenderer declines to enter into a contract if called upon to do so. A performance bond and a labour and material payment bond, each in the amount of fifty per cent (50%) of the tendered sum, in a form acceptable to the Minister of Finance,

must then be provided by the successful bidder prior to the award of the contract.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

Fee and rental for Parcels 3022-3127, inclusive: For each parcel, \$25 and \$1 per acre respectively.

Whole gas spacing areas may not be split by any lease selection except in the case of an oil discovery on a drilling reservation or where the units which may be earned dictate otherwise.

Separate tenders enclosed in sealed envelopes marked "Tenders for Parcel _____," must be submitted.

Each tender must be covered by an accepted cheque, bank draft, or money order payable to the Minister of Finance, in an amount to cover fee, rental, and bonus.

Anyone may ask that, if an offer on one parcel is not accepted, that it be considered on another parcel, provided the order of choice is clearly stated, and the amount of the remittance is sufficient to satisfy the fee, rental, and bonus on the further choice.

Tenders involving slide-bonus offers must only include parcels of a like kind; i.e., all permit or all lease or all drilling reservation. Any tender received contrary to this condition will not be considered.

The right to reject any or all offers received is reserved.

Dated at Victoria, British Columbia, this 3rd day of July, 1970.

Minister of Mines and Petroleum Resources.
